## **CORPORATE GOVERNANCE POLICIES**

### **SAFETY POLICY**

The health and safety of all personnel at Peak Resources Limited's projects is of serious and fundamental concern to Peak Resources Limited.

Peak's aim is to conduct operations in an efficient and profitable way while providing:

- a healthy and safe workplace;
- information on the hazards of the workplace and training in how to work safely; and
- consultation at all staff levels on health and safety matters.

No employee is expected to carry out activities which he/she reasonably considers to be unsafe.

All on-site personnel must be aware that they have a responsibility to work safely and raise health and safety concerns as soon as they arise.
